EN 998-2 2010

Natural Lime Mortar - Medium

Prescribed general purpose mortar for internal and external use

Proportion of constituents (by volume):

Natural Hydraulic Lime (NHL3.5)	1
Aggregates	3

Reaction to fire

A1

Water absorption kg/(m².min^{0.5})

1.65

Water vapour permeability μ

15/35

Thermal conductivity W/mK

P=90% 0.93
P=50% 0.83

Durability

Evaluation based on
provisions valid in the
intended place of use of the
mortar

For over 20 years, Ecological Building Systems has been at the forefront of environmental and sustainable building products supplying a range of innovative airtightness solutions and natural insulations backed up with expert technical support.

As product suppliers in the UK and Ireland, we're happy to assist you with your projects and have expert technical and sales advice on hand.
