

Industry leading training on new build and retrofit construction methods using sustainable materials.

Ecological Building Systems virtual training

- All training delivered by our qualified technical experts
- Qualifies for structured CPD points with attendance certificates issued
- Virtual, live training with opportunity for Q&A
- Free dedicated design review available with a technical expert
- Sustainable building solutions for retrofit and new build
- Topics repeated over the year so you don't miss out

Virtual CPD and training calendar 2026

Version 1
December 2025

To find out more about training, visit ecologicalbuildingsystems.com/training-courses

| January | | |
|--------------------------|----------|---|
| Wednesday 14th January | 1-2.30pm | Breathable Internal Wall Insulation Systems for Single Leaf Masonry Walls |
| Wednesday 28th January | 1-2pm | Airtightness and Weather Protection of CLT Structures |
| February | | |
| Wednesday 4th February | 1-2pm | EcoCocon Straw Wall System |
| Wednesday 11th February | 1-2pm | Airtightness and Moisture Vapour Management |
| March | | |
| Wednesday 4th March | 1-2.30pm | Optimising Indoor Air Quality with Inverter Decentralised Ventilation Systems |
| April | | |
| Wednesday 29th April | 1-2pm | Benefits of Natural Fibre Insulation |
| May | | |
| Wednesday 13th May | 1-2pm | Airtightness and Moisture Vapour Management |
| June | | |
| Wednesday 3rd June | 1-2pm | Natural Fibre in Low Carbon Construction |
| Wednesday 17th June | 1-2.30pm | Breathable Internal Wall Insulation Systems for Single Leaf Masonry Walls |
| Wednesday 24th June | 1-2pm | EcoCocon Straw Wall System |
| September | | |
| Wednesday 9th September | 1-2pm | Airtightness and Weather Protection of CLT Structures |
| Wednesday 16th September | 1-2pm | Airtightness and Moisture Vapour Management |
| Wednesday 30th September | 1-2.30pm | Benefits of Natural Fibre Insulation |
| October | | |
| Wednesday 14th October | 1-2pm | EcoCocon Straw Wall System |
| November | | |
| Wednesday 11th November | 1-2.30pm | Breathable Internal Wall Insulation Systems for Single Leaf Masonry Walls |
| Wednesday 25th November | 1-2pm | Natural Fibre in Low Carbon Construction |
| December | | |
| Wednesday 2nd December | 1-2pm | EcoCocon Straw Wall System |
| Wednesday 16th December | 1-2pm | Airtightness and Moisture Vapour Management |

Above details may be subject to change, please refer to our website for the latest information.

For over 20 years, Ecological Building Systems has been at the forefront of environmental and sustainable building products supplying a range of innovative airtightness solutions and natural insulations backed up with expert technical support.

As product suppliers in the UK and Ireland, we're happy to assist you with your projects and have expert technical and sales advice on hand.
