

HECO-TOPIX®-plus Flange head

Product information

- Higher load transmission due to the increased clamping surface of the head
- High thread pitch for fast driving
- Calculation certificates via HECO HCS or calculation service
- Chromium (VI)-free coating
- Approved and monitored product (CE-marking)

The wood construction screw for professionals

MagicClose®

Patented full thread pulls timber fixtures together without gaps and without pretension (full thread variants with Ø 6 mm only)

Shank ribs

Permit easy, stress-free driving (variants with part thread only)

PerfectPitch®

Optimal thread pitch for every screw length

HECO-TOPIX tip

Eliminates the need for pre-drilling, reduces the risk of the wood splitting
